General Service Board of Alcoholics Anonymous
Attn: Mr. Gary Glenn, Chairperson
1112 Park Avenue #3B
New York, New York 10128

Dear General Service Board,

I have carefully reviewed Gay G~~~~~'s Minority Report on the San Diego Convention money issue. It seems to have great merit, but was given very little consideration.

The issue has been completely ignored by the General Service people in our area.

In the interest of fairness and in the spirit of Group Conscience, it would be of great benefit to the membership if the Minority Report were distributed by directly mailing to the groups, rather than by distribution by delegates.

If a past Regional Trustee has such strong feelings on an issue that is so close to the core of our spiritual existence, we should take every possible step to aid the membership to come to an informed decision.

Past Los Angeles Central Office Trustee
